

BACK-LIT PICTURE FRAME

General Information:

An interior wall mounted picture frame box with painted metal casing and acrylic front.

Light is both diffused via the acrylic front and via a slot in the lower side of the fitting to provide a soft wash of light on the wall. Ideal for dark tricky staircases or boring basement corridors.

The luminaire could be adapted as emergency light or sign by adding a suitable battery pack.

Lamp:

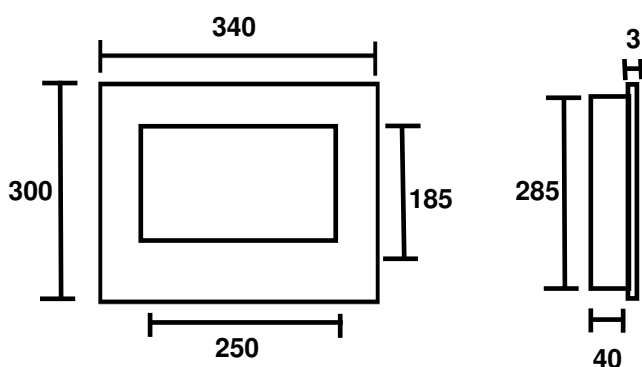

230v, 2 x 18w 2G11 Compact Fluorescent.

Finish:

White

Dimensions:

Please note that these drawings are not to scale

LAMPS NOT INCLUDED.

CAUTION: Care should be taken with positioning of the light fitting as it will become hot in operation.
