

BOLLARD 300

Technical Specification:

Please note that these drawings are not to scale.

CAUTION: Care should be taken with positioning of the light fitting as it will become hot in operation.

General Information:

The Bollard 300 is a decorative light for gardens. The lens reflects light at two angles through anti-glare mesh directly onto the ground and horizontally to illuminate the surrounding landscape.

A 240V fluorescent option is available which offers excellent light output, low energy usage and very low heat generation, this changes the luminaire to an IP66 rating.

Accessories:

- Lamps
- Transformers
- Fluorescent Version available
- Anti Glare Hood

Finishes:

- 316 Stainless Steel
- Copper

Powder Coat Paint:

- Metallic Silver
- Black
- Grass Green
- Bronze
- Olive Green
- Arctic White
