

LASER TRIMLESS

General Information:

A highly energy efficient and maintenance free fixed LED downlight, it provides the equivalent illumination as 50-75w low voltage halogen downlight for approximately a fourth of the power consumption.

It is trimless and seamlessly integrates into the architecture. It has a low glare optic thanks to its frosted glass.

The fitting integrates a heat sink for thermal stability and maximum life expectancy (50,000 hours).

Lamp options:

- 700mA, 13.9w LED (12x LEDs cluster)
- 1000mA, 20.4w LED (12x LEDs cluster)

Lamp Colour Options:

- Warm white (3000K)
- Neutral white (4000K)
- Cool white (6500K)

Optics Options:

- 24° beam angle (spot)
- 70° beam angle (flood)

Driver Options:

- Non dimmable
- Trailing edge dimmable
- I-10v dimmable
- Emergency lighting pack

Glass/Diffuser Options:

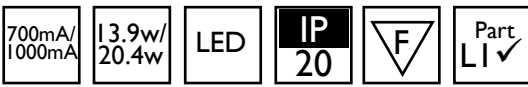

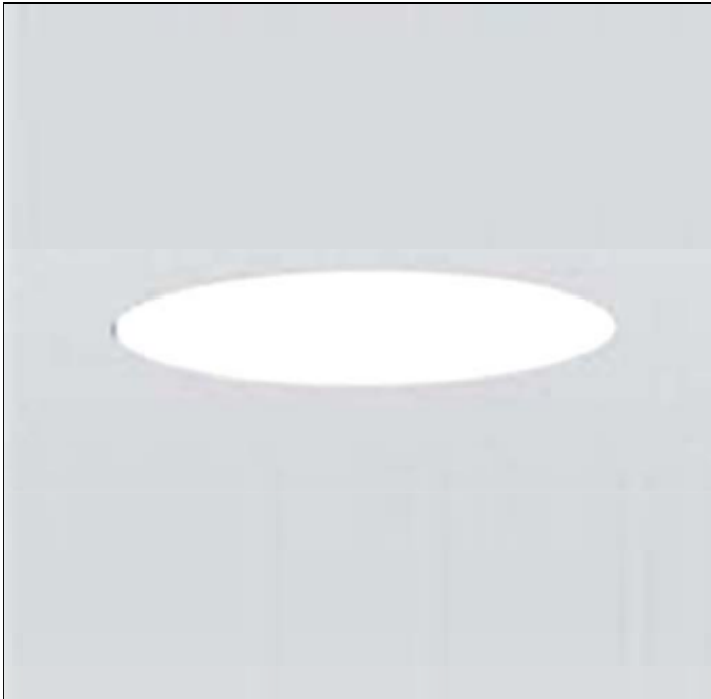

- Frosted optical glass

Finishes:

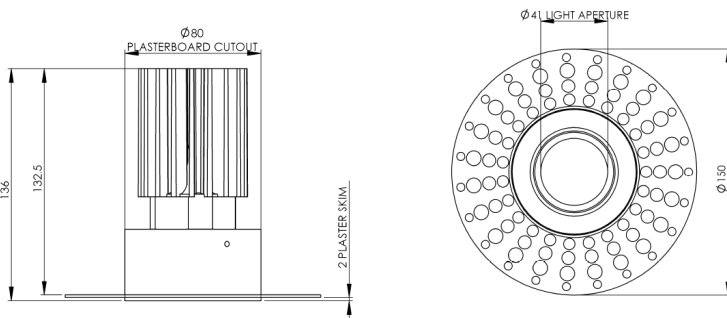

- Matt White Powder Coated (frame)

Accessories:

- Plug and Play wiring looms 1.5m (2 to 6 way)
- Link extenders (2m, 5m, 10m)

Dimensions:

Cut-Out: Ø80mm
Recessed Depth: 132.5mm
Total Depth: 136mm

Frame Width: Ø150mm
Light Aperture: Ø41mm

Please note that these drawings are not to scale

DRIVER NOT INCLUDED.

CAUTION: Care should be taken with positioning of the light fitting as it will become hot in operation.
