

Dimensions:

Cut out: \varnothing 50 / \varnothing 36mm
Recess depth: 140mm

Please note that these drawings are not to scale

DRIVER NOT INCLUDED.

CAUTION: Care should be taken with positioning of the light fitting as it will become hot in operation.

General Information:

An exterior in ground LED luminaire ideal for all exterior applications. The LED is recessed within the fitting to minimise the glare.

The fitting features a specially bonded 'black glass' which looks sleek when unlit, yet allows significant light transmission when illuminated.
