

Throughout September & October

Light Up Your World

Light IQ Design Clinic, Chiswick

Explore your creative potential! With the right knowledge you can become your own lighting designer, transforming an ordinary bathroom into a relaxation haven, an ignored garden into an enchanting retreat or a hectic kitchen into a captivating stage. A design clinic with Light IQ will provide you with a foundation of knowledge, revealing tips of the trade and inspirational techniques enabling you to implement your own scheme. Light has the ability to transform a space, creating drama, elegance and magic at the touch of a button; use it to enlighten your world.

Bathroom Lighting Clinics at 10am on 9th, 12th September

Garden Lighting Clinics at 10am on 16th and 19th

September

Kitchen Lighting Clinics at 10am on 7th and 10th October
